

# HOOSIERS DROP ANOTHER ONE BY ONE RUN MARGIN

Score Two Runs in First Inning  
But Battle Creek Goes One  
Better—Arndt is Pegged  
Out at Home.

Special to The News-Times.  
BATTLE CREEK, Mich., May 14.—  
South Bend started off strong here  
today by scoring two runs in the first  
inning but when Harry Arndt was  
caught at the plate on his attempt to  
score, it ended the run getting for  
the Hoosiers and Battle Creek took a  
3 to 2 game, creeping up on the visitors  
in the same inning and winning  
out in the fourth round.

Stevenson was back at third for the  
Hoosiers and the team played an  
errorless game while the locals pulled  
five errors but they managed to bob-  
ble when Arndt took a chance but  
Duncan, the local's center fielder was  
the big noise, his hitting driving in the  
three runs which beat the Hoosiers.

Layden first up for the Hoosiers  
got a walk and when Foley dumped  
one in front of the plate he took sec-  
ond. Patterson hit to center for a  
couple of bags, but Layden was held  
at third as it looked as if Duncan had  
a chance of grabbing Patterson's drive  
which he lost in the sun. Arndt then  
came across with a double to right  
center and shoved two runs over.

Stevenson shot a sharp single to  
right and Arndt took a chance but  
Green's throw to the plate was true  
and Harry was nipped on the rubber.  
Beall was called on but he fanned.

Walk Proves Costly.  
Boose started for the locals with one  
down. He got a walk and stole sec-  
ond. Laross singled and took second  
on the play to third. Duncan's single  
scored both men. Green's drive cut  
Duncan down at second while Badger  
was an infield out.

In the fifth the locals won out.  
Richards started the score by singling  
to right and took second when Boose  
sacrificed. Laross sent a line drive to  
Arndt in center but Duncan hit to  
center sending in the third run.

Battle Creek threatened again in  
the eighth when Laross made his third  
single, stole second and went to third  
on Duncan's infield out. Green sent  
a warm one to Beall at first base but  
a quick throw to Dobbins caught Lar-  
ross who was trying to score.

Smith's lads had a good chance to  
score in the third but it came to naught.  
Gill dropped Stevenson's  
high fly and Steve went to third on  
Beall's grounder. Dobbins lifted a fly  
which Badger dropped. Stevenson  
started towards home but he headed  
off by a throw to Malcomson. Dobbins  
tried for second but was stopped  
by the catcher's peg to the middle bag.

After the first inning Carpenter set-  
tled and kept the visitors off the base  
paths in most of the rounds. Foley  
got a double to right center in one  
round and Duffy tapped a single to  
center in the eighth but men who  
followed them were helpless before the  
twisters of Carpenter.

## SMITH WILL DO HURLING DUTIES

With Pilot Ed Smith himself in the  
box the Hoosiers will open their second  
home series with the Bay City bunch  
at Springbrook park this afternoon.  
Smith will be assisted by his new re-  
ceiver, Dobbins, recently purchased  
from Jackson. Stevenson will be seen  
in action this afternoon at his regular  
station at third.

Aside from Dobbins, the team has  
also for a time the services of young  
Sugrue of Evansville. It is thought,  
however, that he will be returned soon  
to the downstate aggregation, as Dobbins  
has already been paid for from  
Jackson.

There will be considerable more  
weeding out of the Hoosier bunch  
within the next few days. Three  
or four more pitchers will be  
tried out and it is whispered that  
Smith is looking for a hitting infield-  
er. There is still one or two weak  
points in the Hoosier infield that the  
chief wants to fill as soon as possible.  
He has said that he will spare no ex-  
pense to get the men he wants.

Arrive From Battle Creek.  
The boys arrived last night from  
Battle Creek. The majority of them  
are content with the showing of the  
team on its first trip away from home,  
taking into consideration the weak-  
ness of the lineup from injuries. "It  
is hard for a bunch of youngsters to  
have said that he will spare no ex-  
pense to get the men he wants."

Harry Arndt gets a new job in to-  
day's game. Pilot Smith is shooting  
him into the infield to cover second.  
Hermie Sack will lay out of today's  
battle.

The Bay City bunch are an un-  
known quantity in this city at the  
present time. That they are among  
the leaders of the league and that re-  
port has it that they are playing a  
great little article of ball is about all  
one can do about them.

Smith has had a chance even to  
warm up during the trip. He has  
been kept busy with injuries, hotel  
arrangements and the like until he  
says he has not even thrown a ball  
since he left South Bend. The whole  
Hoosier bunch will get out to the park  
early Friday for a long practice, both  
fielding and batting.

To Entertain Boys.  
On Saturday of this week the man-  
agement has made arrangements to  
entertain all the boys of the city, or at  
least as many as can attend. The boys  
will be the guests of the Hoosier team  
and will be given the liberty of the  
grounds. It will be officially known  
as Boys' day. Pilot Smith said he  
would like to see every young lover  
of the national sport present at Sat-  
urday's tilt with the Adrian athletes.  
Tomorrow is Ladies' day. It will  
be the second Ladies' day of the sea-  
son, and it is thought that a great  
number of local fans of the fair sex  
will take advantage of the opportuni-  
ty to see the Hoosiers in action. Mon-  
day and Friday are set aside as Lad-  
ies' days.

Duffy pitched three of the prettiest  
games of his career on the first trip  
abroad, according to Pilot Smith. Just  
why the former Springfield hurler  
gets beaten every time is clear neither  
to the chief nor to Duffy himself.  
That there is a jinx of some kind hov-  
ering over him is evident.

## ONE RUN ENOUGH TO BEAT THE BRAVES

CINCINNATI, O., May 14.—"Red"  
Ames whose luck seems finally to  
have turned, after for years bearing  
the reputation of the most unfortu-  
nate pitcher in the game, won another  
twirling contest Wednesday, James of  
the Boston Braves being his opponent.  
Cincinnati scored the only run of the  
contest in the first inning with a pass  
to Moran and Herzog's two bager.  
In spite of the unseasonable weather  
both teams played a brilliant fielding  
game.

## TOLEDO LOSES CLOSE ONE

LANSING, Mich., May 14.—Although  
Toledo got as many hits as did Lan-  
sing although their hits were more  
consecutive, the Mud Hens lost a  
close game here Wednesday through  
bad base running. Loomis and Seeger  
pitched good ball, both being steady  
when hits meant runs. Pender's er-  
ror, out quite a figure in Lansing's  
second run, the one which proved the  
winning one.

## FIVE HOURS OF PASTIME

JACKSON, Mich., May 14.—Jack-  
son and Adrian divided a double-  
header Wednesday, Adrian winning  
the first 7 to 4 and Jackson taking the  
second, 3 to 2, in 11 innings.

From 2 o'clock until just a few min-  
utes before 7 the teams battled. The  
first game, in spite of its big score,  
was almost devoid of clean hitting,  
the big tallying sessions being the re-  
sult of lucky infield hits on the slip-  
pery grounds. The second game, a  
pitchers' battle, was won by Jackson  
largely due to the visitors' errors.

First game:

## HARRY LORD NOT MISSED BY SOX

WASHINGTON, May 14.—With a  
rejuvenated infield, owing to the re-  
signation of Harry Lord, their veteran  
third baseman, the White Sox batted  
like fiends Wednesday and won hands  
down from the Senators, 9 to 2.

Chase led the onslaught with four  
hits, including a double and triple.  
Washington used three pitchers. Bent-  
ley working the last two innings after  
Shaw and Gallia had been well pound-  
ed. Russell was effective throughout  
and also contributed three hits.

## "OUR TEAM"

Stars Training, Jimmy Gets the Mumps, Mrs. Mendius Chases 'em Off 'Our' Park, and Dud  
Gets Fined 12 Cents.

BY HUGH FULLERTON, JR. (aged 9)  
Our team is the Giants. Hank, Phil  
and Dud and Paul and I got it up last  
year. We had a meeting and Paul  
and Hank Phil had a fight because  
they both wanted to be manager.  
Hank licked him, so Hank was man-  
ager. They elected me captain, while  
Paul went home to stop his nose  
bleeding. Then we passed round and  
the first one was "No fights allowed.  
Anyone fighting is fined two cents."  
At first we only had eight kids and  
we had to in June to play short-  
stop, only she fought and scratched  
and would not obey Hank's orders.  
Jane is Hank's sister. Our uniforms  
are gray with red trimmings.

We got nine kids, only Jack was a  
cry baby so we had to get Irving and  
then we got Allen as substitute be-  
cause Dud cheated and we canned  
him. Hank fined him 12 cents and he  
quit, and that broke up the team. Then  
Hank let him come back and we laid  
out the grounds next to Mrs. Men-  
dius' house in the lot. We swiped the  
lumber from Dad and built a grand-  
stand and a backstop. I lost dad's  
hammer and he was mad because we  
dulled his lawn mower cutting the di-  
amond. We were practicing when Mrs.  
Mendius said we kept the baby awake  
so we chased us, so we had to build an-  
other park down the hill. We chal-  
lenged the South Siders to play us,  
but Jimmy Murphy caught the mumps  
and we couldn't play. Then Hank  
Phil and I had a fight and I took the  
balls and started another team, but  
we made up. I was pitcher, but Paul  
could throw harder and I went to  
play shortstop and we got a better  
team.

I had took a lot of us to see the  
Cubs play and we said "Gee, we can't  
beat them unless we practice a lot."  
Johnny Evers did play dandy 2-2.  
We got nine kids, only Jack was a  
cry baby so we had to get Irving and  
then we got Allen as substitute be-

## KAZOOS HAVE EASY TIME

KALAMAZOO, Mich., May 14.—The  
locals won a combination of all sorts  
of baseball Wednesday afternoon from  
Saginaw by a 9 to 5 score.

The visitors were weakened by the  
absence of Shortstop Leber from the  
lineup. Ryerson was a puzzle to the  
Ducks, except in the eighth, when

## REULBACH FAILS TO HOLD BRUINS

CHICAGO, May 14.—The Cubs took  
an easy game from Brooklyn in the  
opening inter-sectional contest of the  
season Wednesday, 6 to 0. Reulbach,  
starting against his old mates for the  
first time, was wild and ineffective  
and Wagner, who succeeded him, suf-  
fered from a similar lack of control.  
Schultz, a recruit, pitched the last  
inning.

Cheney pitched his usual steady  
game, allowing only seven scattered  
hits and was never in danger.

## NEW BENDER BACKSTOP IS CLASSED AS THE BEST

JACKSON, Mich., May 14.—Catcher  
Dobbins, the backstop purchased by  
Manager Ed Smith of the South Bend  
club during the stay of the Indiana  
team in this city, is rated as one of  
the best receivers in the league and  
only the great showing and popular-  
ity of Jors, a local recruit, made it  
possible for Smith to deal with Jack-  
son for Dobbins' services.

Dobbins has had about three years  
in professional baseball, breaking into  
the Southern Michigan league with  
Lansing and later going to Flint from  
which club he was bought by Jackson  
following the close of the 1913 season.

Father small in stature, Dobbins  
nevertheless, gets a lot of power, be-  
hind his drives. He is not normally  
a .300 batter but his average will not  
fall far from that figure. He has a  
dandy whip and works well with the  
pitchers.

# LEADERS PULLED DOWN NOTCH BY CORBY HALLERS

Heavy Hitting Coupled With  
Errors by the Saints Causes

Corby brought St. Joe's winning  
streak in the interhall race to an  
abrupt halt, yesterday, when the  
"Braves" easily trimmed the "Saints"  
9 to 2. Consistent hitting by Corby  
coupled with St. Joe's loose fielding  
gave the Maroons the upper hand at  
all times. Fitzgerald pitched good  
ball for Corby and held the Saints  
safe. Boland went good during the  
early part of the tilt, but errors by  
his mates discouraged him, and he  
weakened in the final innings. St.  
Joe lost several chances to score by  
poor base running.

St. Joe had three on in the first and  
Corby filled the sacks in the second  
session, but there was no scoring till  
the third. Cahill got to first for Cor-  
by on an error. Stach then dropped  
Burk's fly to center and Cahill pulled  
up at third. Rohan grounded to  
Ward, who pegged wild in an attempt  
to get Cahill at the plate and allowed  
Cahill and Burk to tally. Corby  
counted again in the fifth. With two  
down Burke drove a triple to center.  
Rohan singled to score Burk. Cor-  
coran singled to left, but Conboy let  
the drive get by him. Rohan scored,  
while Corcoran reached third. Fitz-  
gerald was hit by the pitcher. "Fitz"  
started to steal and while he was be-  
ing run down between first and sec-  
ond, Corcoran trotted in with the  
third counter of the inning.

## BEAVERS HAVE HARD HITTERS IN OUTFIELD

JACKSON, Mich., May 14.—Touted as  
possessing more than the usual power  
of attack this season, the Bay City  
Beavers, who play in South Bend  
Thursday and Friday, have a whole  
lot of their clubbing strength concen-  
trated in the present outfield trio, led  
by Manager Danny Jenkins.

With Jenkins, Coombs and Harris  
working in the outer edges of the  
park, the club has an outfield that on  
1913 figures should bat for an average  
well over the .300 mark. Jenkins and  
Coombs were with Adrian last season  
and hit for .325 and .308, respectively.  
Harris, after leading the league for a  
long time, finally wound up with the  
very creditable average of .329.

## CARDS TAKE FIRST FROM THE PHILLIES

ST. LOUIS, Mo., May 14.—The  
Cardinals bunched their hits at oppo-  
sition moments Wednesday and won  
the opener from the Phillies, 5 to 3.  
Three runs came in the fourth when  
Huggins walked, Butler and Wingo  
singled and Cruse doubled. The Phil-  
lies tied it up in the sixth, but two  
successive wild throws, a single and a  
squeeze play gave the Cards two more  
in the seventh, enough to win.

## COLLECT FOURTEEN HITS
